## Law Day Out Court Excursion Program 2019/2020

### Introduction of Fee

From 1 July 2019, the Rule of Law Institute (operating on behalf of Australia's Magna Carta Institute) will be introducing a fee for the facilitation of our Law Day Out Court Excursion Program.

The Law Day Out program has previously been offered free of charge to schools due to the generosity of our corporate sponsors who are keen to promote the rule of law and the principles established in the Magna Carta to high school students. The introduction of a small fee will only partly cover the cost of facilitating the program with trained educators and will allow us to cover the high demand we have from schools across NSW when they visit the Sydney CBD, Parramatta Wollongong and Newcastle courts.

Special arrangements will be made for schools that are Low SES
