Year 6  ACARA – Humanities and Social Sciences Program Links

Australia in the past and present and its connections with a diverse world

The Year 6 curriculum focuses on the social, economic and political development of Australia as a nation, particularly after 1900, and Australia’s role within a diverse and interconnected world today. Students explore the events and developments that shaped Australia as a democratic nation and stable economy, and the experiences of the diverse groups who have contributed to and are/were affected by these events and developments, past and present.

Inquiry Questions
1. How have key figures, events and values shaped Australian society, its system of government and citizenship?

Inquiry and Skills
ACHASSI125  Sequence information about people’s lives, events, developments and phenomena using a variety of methods including timelines
- locating key events, ideas, movements and lives in a chronological sequence on timelines and flowcharts
- developing flowcharts to show steps in a sequence (for example, the flow of goods and services, the passage of a bill through parliament)

HISTORY  Knowledge and Understanding

Concepts for developing understanding
The content in the history sub-strand provides opportunities for students to develop historical understanding through key concepts including sources, continuity and change, cause and effect, perspectives, empathy and significance. The Year 6 curriculum moves from colonial Australia to the development of Australia as a nation, particularly after 1900. Students explore the factors that led to Federation and the different attitudes to Federation and citizenship at the time (continuity and change, cause and effect, perspectives). Through studies of people’s experiences of democracy and citizenship over time (perspectives, empathy), students come to understand the significance of events, ideas and people’s contributions in influencing development of Australia’s system of government (continuity and change, significance).
