

Delegated Legislation:

For laws made by other delegated bodies that are either **highly technical in nature** or for situations that are **rapidly changing**

BENEFITS

- Laws can be quickly made
- Saves MP's being bogged down in technical details

DISADVANTAGES

- Insufficient Parliamentary Scrutiny

SAFEGUARDS

- Preparation of regulatory impact statements to consider the economic and social costs and benefits
- Publication of delegated legislation to ensure the rules are known and accessible
- Consultation with relevant stakeholders to ensure those impacted by the rule are appropriately consulted
- Provision to “disallow” the legislation (which rarely occurs)
- Review by the Upper House
