## ACROSS

1. The name of Australia's set of rules (declared for Federation in 1901) that provides important checks and balances that determine law-making decisions by the Government.
3. The administrative body in the Executive that is made up of senior government ministers, including the Prime Minister.
4. A request for a higher court to review a lower court's ruling.
8. The branch of power that is responsible for making the law.
10. The name given to the system which describes the two Houses that make up the legislature, also known as Parliament.
14. One of the two Houses that form the Parliament.
15. The second part of the clue for 12. Down.
16. The highest level of the judiciary \_\_\_\_\_ .

## DOWN

1. The two mechanisms that ensure equality and justice are upheld by the branches of power according to the Australian Constitution.
2. To be effective and fair, the law must be known and understood by all citizens and not vague or confusing. Therefore, it must be \_\_\_\_\_.
5. Another word for *legislature*.
6. The branch of power that interprets, evaluates, and makes decisions regarding the law when there is a legal dispute.
7. The branch of power that administers and enforces the law.
9. Another word for *unbiased* or *unprejudiced* – a vital requirement and expectation of the judicial system.
11. The ideal that involves basic principles which promote equality, accountability, and justice for all citizens.
12. The Queen's representative who gives royal approval to laws that are passed in the Australian Parliament (see 15. ACROSS).
13. The promise made by a judge when they are sworn into office.
